

## PETITION

We, the landowners of the proposed Frenchtown Interchange Zoning District, representing sixty (60) percent or more of the affected real property owners of said District do hereby petition and request that the Missoula County Commission establish a zoning district pursuant to MCA 76-2-101 for the purpose of furthering the health, safety, and general welfare of said real property owners and their descendants, and to maintain the established rural residential and agricultural character of the area within the District by regulating future development to adhere to the existing land use patterns in the community.

Exhibit A is a legal boundary description and map of the area proposed to become Frenchtown Zoning District.
